

FLEUR DU LAC ESTATES

WINTER
2021

NEWSLETTER

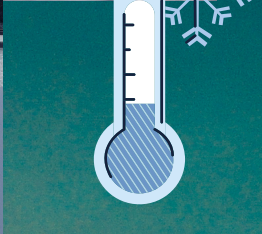

After having to postpone our long time planned May wedding, we were so grateful to finally get married and be able to host an intimate family focused wedding in November 2020. Thankfully, the weather cooperated as well - we were gifted with the warmest day of the month! We are so appreciative to Fleur Du Lac for letting us host this event and will remember it forever!

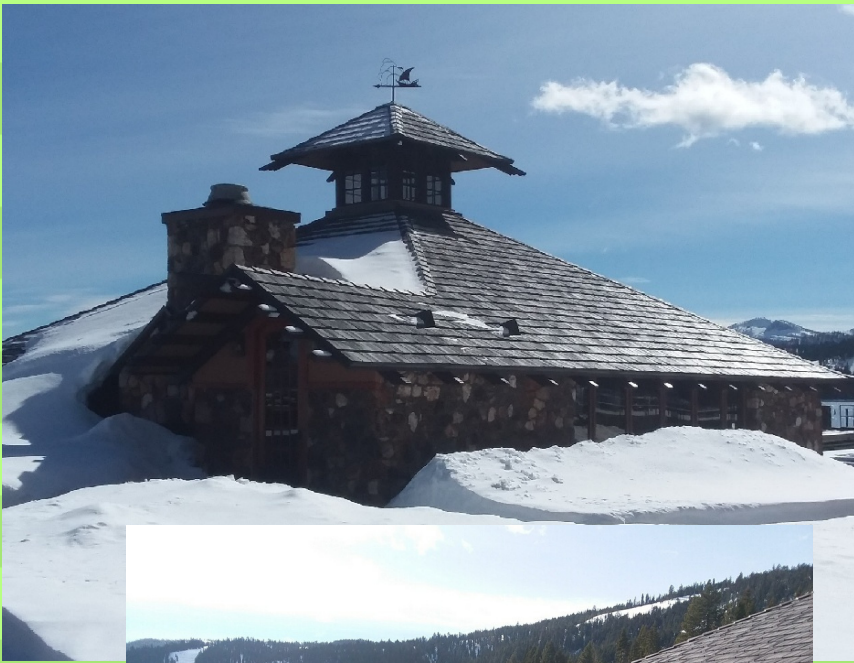

CONGRATULATIONS TO... DANI AND ORLI RABIN NOVEMBER 22, 2020

WINTER SNOW ATELEUR DULAC

Can you find Elwood in all of this snow?

Shoreline Projects

This fall, FDL will forge ahead on repairing the old wooden pilings beneath the south jetty to fortify this historic structure. The Board is also considering repairing the remaining Boat House piles at that time; it may be low water this fall which makes it both practical and economical if we do not have to use divers to perform the work. This will be discussed at the Annual Homeowners Meeting in July when we have a better idea of lake level.

Domestic Plumbing

The last phase of new domestic plumbing being installed at FDL (which includes Units 9-12, Units 21-22, the Yacht Club, Aspen House, and Wild Canary Office) will begin May 1st. We have scheduled our repaving project to begin immediately following the completion of the waterline work which we plan to complete prior to the 4th of July holiday. This will keep us on track to complete the TRPA mandated coverage study by the fall 2021 deadline.

LANDSCAPING STAFF (SEASONAL)

Landscaping Manager: Lisa Brown-Finlayson
Landscaping Staff: Danny Corona
Landscaping Staff: Robert Frias

The logo for Fleur Du Sac features the words "Fleur" and "Du Sac" in a highly decorative, black, cursive script. The letters are intertwined and flourish, with a small floral or leaf-like motif integrated into the design between the two words.
